THE RISE RELEASE

ELEVATED LAND & STUNNING VIEWS

NOW SELLING FROM \$159,000

Welcome to *The Rise Release* Stage 7, featuring homesites offering buyers a range of fantastic value, high end land options all boasting spectacular views of rolling hills and lush, green farmland, as well as direct access to parkland just across the road.

This highly anticipated release features eight remaining parcels of land along the crest of Crole Drive, ranging in size from 674 sqm to 806 sqm.

The Rise Release blocks are some of the finest offered so far at the development, with views that can never be built out due to their elevation. It is expected these blocks will feature houses that really bring Waterford Rise's beautiful natural surrounds right into the home.
